

DGA (UK) LTD: 'AT A GLANCE'

Commercial & Planning Services: Resolving Time & Money

DGA (UK) Ltd is the registered name of David Gibson Associates. We are a professional services consultancy operating across the construction industry meeting the needs of national and international clients through the provision of a wide range of commercial, planning and project management services including:

Contract Administration • Project Planning • Adjudication • Claims Management
• Delay Analysis • Project Audits • Expert Evidence • Bespoke Training
• Procurement Management • Project Management • Risk Management
Due Diligence • Management Consultancy

Based in Cavendish Square, London; the business has regional offices in Birmingham, Manchester and Nottingham; with a business support team based in Maidstone. DGA currently employs over 70 professional staff offering expertise to employers, advisors, contractors and subcontractors in all of its core disciplines; delivering consultancy and secondment services across all sectors including:

Transport • Infrastructure • Power • Utilities • M&E Services
Health • Education • Stadia • Leisure • Commercial • Residential

DGA's dynamic management team is lead by CEO, David Gibson and Managing Director, Jim Bourke. They have achieved consistent growth and business expansion with the consultancy having generated over £5 million in fees through 2010. They are supported by an operational management team (see overleaf) delivering services nationally through a regional and sector lead structure.

DGA prides itself in its flexible approach to client needs. It looks for innovative solutions to both resource and consultancy lead problems. It has consistently secured business through referrals and repeat commissions; both of which testify to the quality and professionalism of the service it offers.

Together the management team have grown and developed a resource base providing professional expertise to clients through a range of disciplines including:

Quantity Surveyors • Planners • Project Managers • Contract Analysts
Commercial Managers • Dispute Consultants
